

MCKAY TORCH

VOL. 4 - No. 1

Chicago, Illinois

June 1970

Dear Graduates,

Once again we come to that time of the year when we must say goodbye to our eighth graders. Your elementary school graduation marks the end of your childhood and the beginning of young adulthood.

It is very possible that many of you will be voting in a few years. Your high school education will help you make important decisions for that great event. Make the most of the next four years. Hold only yourself accountable for failure you may encounter.

You are the future leaders of our country. Education, intelligence, and good sense are the tools to use to make our country even greater. You have these tools and we can face the future with optimism because we are confident that you will make the world a better place in which to live.

Congratulations to all of you. Remember McKay as we will most certainly remember you.

Sincerely yours,

Daniel A. Zelazek

THE MCKAY PANTHERS

The McKay Volleyball team was no doubt one of the best teams this year. The team consisted of the boys in the accompanying picture, with their coach Mr. Zelazek. From left to right are: Bob Prohaska, Bill Rossman, Coach Mr. Zelazek, Bob Rydberg, Ed Deksnis, Joe Morkunas, George Kelleher, Don Scanlan and Dave Rydberg. The team entered two

leagues, one at Rainey-Hancock Park, and the other at Marquette Park. When we went to Rainey-Hancock, we were still down in the dumps from our basketball season (having wound up third) but we soon snapped out of this. It took us three games to beat the Hale Hawks, and then we went on to beat the rest. In the finals we played the Stevenson Chargers, who looked rough to us. We beat them in two games, 15-4 and 15-5 to become the Rainey-Hancock Champs. We also won the tournament at Marquette Park to win a double championship for our school. This is the second consecutive year the McKay School team had captured both crowns.

Joe Morkunas
Room 104 - Grade 8

GIRLS' TRACK MEET

The girls in the 5th, 6th, 7th, and 8th grades recently participated in a track meet held at Marquette Park. The events that the girls engaged in were the 50 yard dash, running broad jump, high jump, and four girl re-lay. Cheryl Kruspe won first place in the high jump. The girls look forward to the All Girls' Track Meet each year.

Cheryl Andrulis

TMH ROOM NEWS

There was much telephone ringing in the third floor corridor the week before Spring vacation. When we investigated we found the TMH classes from Rooms 306, 307, and 308 were using the Tele Trainers. For the week they were practicing "Dial O" in an emergency. To complete their emergency calls, it meant the pupils had to be able to say their names, addresses and phone numbers. This was a fun way for the TMH classes to learn a most important lesson. Mr. Fire Fighter Al was also happy with the success of the program.

This unit on the telephone was completed by 40 children under the supervision of their teachers, Miss Shields, Mrs. Wohlberg, and Mrs. Brown.

TMH NEWS

The children in rooms 304 and 308 are in the Chicago Park District's program for the Mentally Handicapped and Perceptually Handicapped Children.

Arlene Gorman of room 308 won third place in the bowling tournament for her age group in May at the Habetter Bowling Alley.

Arlene and Gwen Anton were also qualified to compete in the track meet. In this meet Arlene won another medal when she took first place in the softball throw.

Walter Kacmarek of room 304 came in third in the same event.

These children will go on to the Chicago Special Olympics on July 20 at Soldiers Field and will compete against children from throughout the United States and Canada.

Jim Emerson
Room 104 - Grade 8

Below are excerpts from a letter that our 4th grade received from a little boy who lives in Scottville, Michigan:

"Dear Fourth Grade,
I would like to tell you about myself. I am a boy ten years old. I have blond hair and brown eyes, and I like apple pie best."
He also told about his school and the area in which he lives. It was a most interesting letter and we thank Gregg Rahn, of Route 1, Box 146, Chattvez Road, Scottville, Michigan, for writing to us.

I'll plant a garden with some seeds.
I'll water it and pick the weeds
I'll rake and hoe, and watch it grow.
Then sunshine will be all it needs.

Milena Palendech
Room 204 - Grade 1

FIREMAN FRIENDLY

Firefighter Albert Guerra visited the McKay School during the week of May 18. This was his third and last visit of the year.

He talked about fire prevention, and suggested that the thing commonly found around the house to extinguish fires was baking soda.

He has been a fireman for 22 years, and has been assigned to the 15th district for the past two years. He also goes to the Catholic as well as the Jewish, Greek and Lutheran Schools in the neighborhood. During the summer, Firefighter Al goes to the different schools and parks with the snorkel unit. Boys and girls may have rides on the snorkel or on hot days are sprinkled from the hose.

Lynda Zoiss
Room 210 - Grade 7

OUR SCHOOL ENGINEER

Mr. Jones, our school engineer, has worked in the McKay School for six years, and with the Board of Education for twenty-seven years.

He is married and has two married daughters. He is also the grandfather of six. We are lucky to have a good engineer like him.

He directs his staff in taking care of our school and grounds. He helps keep McKay warm in the winter. His maintenance staff cleans the floors, fixes windows and shades and many other things.

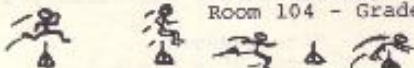

Ronald Kirsininkas
Room 210 - Grade 7

MARQUETTE PARK TRACK MEET

In May, a track meet for boys ages 9 to 15 was held at Marquette Park. The events were the high jump, long jump, 50 yard dash, 75 yard dash, 220 and 440 relay. Don Scanlan took second place in the high jump, Dave Rydberg second place in the long jump. In the 75 yard dash Dave Rydberg captured first place and Bill Rossman second place. In the 440 yard relay, Dave Rydberg, George Kelleher, Bill Rossman and Don Scanlan took first place but were disqualified because George was too young. The Park Director said he could run in the relay if he did not participate in the 50 yard dash with the younger boys, but then they changed their minds.

David Rydberg
Room 104 - Grade 8

POLLUTION

Pollution ruins our air, water and land. While we need more food because of our increasing population, we find it is decreasing due to pollution. Lake Erie and Lake Michigan are badly polluted because of garbage, detergents, and waste materials that are being dumped in it by large corporations and factories. This is a very serious problem to us, as nature won't help clean them out, as water flows into Lake Michigan instead of out of it, into Lake Huron which in turn flows into Lake Erie and thence into the ocean. So as you see we must stop pollution instead of passing it on in a continual endless chain. If this continues, not a single place on this earth will be unpolluted. So we better do something about this. Don't you care about your future life? As a matter of fact, don't you care about anyone's life? To make your future life better, follow the fifteen rules that are listed elsewhere in our paper on "Join the Fight Against Air Pollution". Inform your parents and friends about pollution and its problems. Write polluters and complain and publicize their polluting our lakes, rivers, and air. Earth Day is over, and we may be also if we don't have an Earth Day 365 days a year.

Allen Prusis
Room 208 - Grade 6

MRS. KELLY

Our school is very lucky to have a wonderful woman as our school clerk, Mrs. Meredith Kelly. She is a nurse, a typist and helps us with our school drives and our school newspaper. She takes care of all of the school statistics, calls our homes when we are sick, and comforts you when you're feeling bad. She helps our principal, Mr. Zelazek, keep our school running smoothly, and last but not least, she has a kind word for everyone. McKay is indeed fortunate to have Mrs. Kelly on her staff.

Francine Jonikaitis
Room 110 - Grade 8

THE DISTRICT SCIENCE FAIR

I went to the District Science Fair with my project on "Water Purification". It was very exciting to be chosen as the winner at McKay School. All of the boys and girls who were the winners of their school in District 15 were there. There were two judges, who went around to each project and asked the pupils questions about them. I didn't win, but the boy who was next to me took first place. At the Awards Assembly in June I will get a certificate from our school and one from the Dawes School.

Gerry Duvick
Room 305 - Grade 4

KINDERGARTEN NEWS

Eighty-two children will be promoted to 1st grade in June. Some of them will return to McKay and some will go to other schools. We congratulate these children and wish them success next year.

We have been getting ready for first grade by working on our reading readiness and mathematics work books.

We thank our "Big Helpers" for all they have done for us this year.

We wish everyone a happy, safe summer vacation.

Room 101
Kindergarten

KEEPING CHICAGO CLEAN

We in room 103 will help to do our best this summer to keep our city clean. We promise to put all our gum, candy and ice cream wrappers in garbage containers.

Room 103
Kindergarten

THE MONARCH BUTTERFLY

When a Monarch butterfly lays her eggs, they will hatch in a few days. Then a caterpillar will come out of each egg. The caterpillar will eat just milk-weed for two weeks. It will take off its skin and turn into a pupa and hang up-side-down for two weeks. Then it will turn into a beautiful butterfly.

Sophia Daukas
Room 205 - Grade 2

WHAT I LIKE TO DO

I like to draw, to color, and to run. I like to go into a pool and swim and swim.

I like to go to the museum and look at everything.

I like to do many things, especially hugging my dog.

Lou Ann Scanlan
Room 207 - Grade 3

GIRLS' VOLLEY BALL TEAM

The eighth grade girls' volleyball team consisted of Sylvia Kuraitis (Captain), Pat Nail, Janet Simeone, Faith Terpstra, Lynne Haugen, Cheryl Kruspe and Fran Jonikaitis.

We played five straight games at Marquette Park before we were defeated. Although we only lost two games, we came in third place.

Pat Nail
Room 104 - Grade 8

MY SCHOOL

I think my school is a good school. We have gym, library, movies and reading. I like the movies the best.

At recess we go outside and play games. At lunchtime we go to the lunchroom to eat our lunch.

I have lots of fun at school.

I like my school and I think it is nice. My school's name is the McKay School.

Tom Cernius
Room 207 - Grade 3

DAY CAMP

School vacation is coming up soon and I know that everyone will be happy to be out of school and be able to do all of the fun things. Day camp is one of the greatest fun things to do. You can take crafts, gym or anything you are interested in. I won four ribbons for day camp in the past years and I have them on my wall at home to show every body how proud and happy I am that I go to McKay Day Camp. Why don't you?

Debbie Tripamer
Room 301 - Grade 5

SCHOOL NEWSPAPER

Getting your article in the school newspaper is fun. Lots of kids like to see their names in the paper. Some draw pictures and some write stories. Some even tell about events in school. Writing articles is fun. But reading stories is my favorite one.

Lori Perry
Room 208 - Grade 6

THE BALL GAME

My whole family went to see the Cubs play ball. On the way to the ball park we saw Lake Michigan, the Buckingham Fountain, and the Museum. At the ball game I saw Ernie Banks hit his 500th home run. Ron Santo also got a hit with the bases loaded. We all enjoyed our day at the ball park.

Ricky Rapnikas
Room 305 - Grade 4

SCHOOL DISTRICT TRACK MEET

I was the only one in my room who went to the Track Meet at Rainey-Hancock Park. There were nine kids from McKay, and four of them received a trophy. I won the trophy for the four man relay. My teammates were Tony Butkus, Jack McMillan and Stan Pasciak. I hope our school wins this year.

Nicky Haugen
Room 301 - Grade 5

MR. SULLIVAN

Mr. Sullivan is our school fireman. He was burned very badly in early May by a careless accident. Someone put a spray can into a waste paper container. When Mr. Sullivan emptied the container into the furnace the can exploded. He was taken to Holy Cross Hospital with second degree burns. We all want to express our sympathy and wish him a speedy recovery. We should all take care and watch what we put in the waste containers.

Kathy Tuleja
Room 305 - Grade 4

MOVIE BOY

Being a movie boy is fun. You learn how to run the projector, and you also do services for your school. It helps you to become a responsible person, to get to know the teachers better and to see how you can be of help to your school. Being a Movie Boy is just plain great.

Mark Wagner
Room 210 - Grade 7

FUTURE TEACHERS

We wish to thank the following girls from room 210 who have helped in the Future Teachers' Club during the past year.

Theresa Connelly	Fancy Andrews
Toni Malik	Susan Haugen
Carol Foster	Mary Pinnick
Caron Piddington	Linda Nicholas
Alberta Kohl	Debbie Malmgren
Patricia Nail	Lynda Zoiss

MC KAY SCHOOL LUNCHROOM VOLUNTEERS

We wish to thank the following mothers who have volunteered to help in the McKay School lunchroom during the past year:

Mrs. Burton	Mrs. Impallaria
Mrs. Buttliere	Mrs. Kinster
Mrs. Cyborski	Mrs. Kruspe
Mrs. Elget	Mrs. Rybarczyk
Mrs. Furtado	Mrs. Sullivan
Mrs. Hochwarter	Mrs. Svoboda
Mrs. Horton	Mrs. Tauras
Mrs. Zdanys	

OUR NEW TEACHER

Our new teacher is Miss Norris. She is teaching us all about the planets. I have a lot of fun having science with her. I think she is pretty cool.

Cheryl Rydberg
Room 301 - Grade 5

HOW TO STOP POLLUTION

The pollution is getting bad. We should try to stop it. Don't burn leaves in the fall or any other time. If you have a coal heated house get gas heat instead.

Don't throw garbage in lakes, streams or streets. Keep Chicago clean.

Kelly Lyon
Room 207 - Grade 3

ASSEMBLIES

The assemblies at McKay are colorful and gay. One month the upper grades have an assembly, and the next month the lower grades perform. We have excellent singing, and sometimes the rooms or the reading groups put on plays. The parents and children in the rooms that are not participating are invited to watch. The assemblies are a lot of fun, and there are a few laughs also.

Pat Nail
Room 104 - Grade 8

THE MC KAY SCHOOL BAND

We belong to the McKay School Band. We are learning to play the flute, and enjoy it very much. It is interesting to learn about these instruments. We have a very good teacher, and we know he cares about us because he wants us to learn. We joined the band because we like our teacher, and because we like music. We only started to play in February and we think we play quite well now, but hope to improve. More of the children should join the band and then they won't have time to get into mischief. We think it was a good idea for Mr. Zelazek to allow us to have a band.

Theresa Baumgart
Mary Lynn Hartl
Room 305 - Grade 4

ARBOR DAY

Arbor Day was observed by rooms 207 and 205, with a program held in front of the school. Arbor Day is in the spring, and is celebrated in many parts of the United States by planting a tree. The first Arbor Day was held in Nebraska about 100 years ago. Then people in other places thought it was a good idea, so they planted trees too. We thought it was a good idea too, so this year we planted two hockberry trees to replace the trees that once stood in front of McKay School.

Tom Cernius
Room 207 - Grade 3

Fifth Row: Sharon Reh, Debbie Murphy, Paula Cepicka, Sylvia Kuraitis, Faith Terpstra, Debbie Malmgren, Lynn Haugen, Donna Kesler and Pancy Andrews.

Fourth Row: Alberta Kohl, Debbie Bradley, Linda Zoiss, Donna Janis, Liz Rayfield, Cheryl Kruspe, Sharon Hasler, Susan McGraw, Nikl Schaafsma, Karen Derwinski, Pat Nail and Susan Pilachowski.

Third Row: Janice Wreglesworth, Debbie Sizemore, Patty Coon, Linda Petrulis, Debbie Zebell, Mary Pinnick, Nancy Craven, Lorraine Martin, Janet Simeone, (Name removed by request), Christine Orozco and Mr. Arthur Silhan, Director.

Second Row: Nancy Emerson, Elizabeth Doherty, Toni Malik, Susan Haugen, Theresa Connelly, Carol Poster, Cheryl Andrulis, Marianne Hartl, Rita Connelly, Caron Piddington, Cindy Pilotte, Linda Nicholas, Elaine Spiegel and Tina Tripamer.

First Row: Kay McMillan, Phyllis Doherty, Beth Duvick, Debbie Horton, Patsy Fisher, Debbie Rizzo, Lori Perry, Cindy Carragher and Terry Malik.

LAST WILL AND TESTAMENT OF THE CLASS OF JUNE 1970

Niki Schaafsma.....I will my large bouffant hair rollers to Mike Navickas.
Susan Pilachowski...I will my one and only pair of bobby socks to Linda Nicholas.
Debbie Murphy.....I will my chain of 100 pop tops to Nancy Craven.
Cindy Pilotte.....I will 20 bottles of throat spray to Mr. Silhan, for his voice.
Joe Orozco.....I will Anthony Akstins' trousers to Robert Rydberg.
Debbie Bradley.....I will my bus pass to Stanley Pasciak.
John Kakta.....I will my Mickey Mouse watch to Jeff Kishkunas.
Lynne Haugen.....I will my sister Sue a pair of old shoe strings.
Pat Nail.....I will my favorite nylons to Janice Wreglesworth.
Sharon Reh.....I will my mask to Mr. Silhan, who calls me "Zulu".
Cheryl Kruspe.....I will my old gym shoes to Rita Connelly for graduation.
Liz Rayfield.....I will my "Beauty Secrets" to Mr. Silhan, who calls me "Queen".
Sharon Hasler.....I will 100 bottles of eyeliner to Elaine Spiegel.
Don Scanlan.....I will my slightly used and worn pink levis to John Vieratis.
Anthony Akstins.....I will my ballet shoes to George Muersch.
Sylvia Kuraitis.....I will five pounds of candy to Douglas Gilland in my desk.
Janet Simeone.....I will my empty can of Right Guard to Fancy Andrews.
Donna Kesler.....I will 500 slightly used pieces of gum to Alberta Kohl.
Bob Ripley.....I will 11¢ to Jim Molnor on the \$45,000.00 I owe.
(Name removed by request) will my repossessed box of Kleenex to Mary Pinnick.
Lorraine Martin.....I will my favorite bobby pin to Debbie Horton.
Tom Marley.....I will all of my "100" papers to Mark Wagner.
Susan McGraw.....I will my Frankenstein mask to Toni Malik.
Ed Peck.....I will my gym shoe with the biggest hole to Al Peck.
Faith Terpstra.....I will my used green notebook to Lynda Zoiss.
Joe Morkunas.....I will Mr. Silhan a 1923 wide necktie I found in my attic.
George Kuba.....I will my brother Mike Kuba all my broken pens.
Robert Prohaska.....I will Debbie Malmgren my old basketball.
Harry Gleason.....I will Carol Foster a picture of me when I was a baby.
Dave Rydberg.....I will Ron Kirsininkas a pair of bym shoes with 3" heels.
Bill Rossman.....I will Debbie Sizemore all the gum underneath my desk.
George Kelleher.....I will Tom Petrose a pair of my good Converse All Stars.
Donna Janis.....I will Caron Piddington three used eyebrow pencils.
Edward Deksnis.....I will a picture of myself to Theresa Connelly
Jim Emerson.....I will my magnificent brain to Jack McMillan.

SOCIAL CENTER

Social Center provides an opportunity for both boys and girls to have fun, participate in sports and meet new people. It helps us to adjust to new situations. Anyone from third grade up, and from our neighboring schools can attend.

Some of the activities this year were crafts, table games, corridor games and gym. This year we had co-ed volleyball teams in which we had much competition.

If more children would attend Social Center next year, we could expand our program to include dancing for both boys and girls.

Faith Terpstra
Room 104 - Grade 8

MY PET RABBIT

I have a white rabbit who became part of our family about a month ago. Her name is Cotton Tail. She eats about a head of cabbage a day. She is not afraid of my dog. Cotton Tail is tame, and when she jumps, she jumps about a foot, and when she hops, she hops about a half a foot. She is very pretty.

Edward Jankus
Room 207 - Grade 3

MC KAY SCHOOL SCIENCE FAIR

This year was truly one of our finest Science Fairs at McKay School. It was held in the school gym in January. The projects ranged from breeding fish to the human eye. Eight winners were selected from the many projects that were exhibited.

In the upper grades, 1st place was given to "Water and Air Pollution" by Linda Nicholas and Mary Pinnick, 2nd place to "Using a Transit" by Niki Schaafsma, and 3rd place to "A Motor" by Tommy Petrose.

In the intermediate grades there were five winners, Geraldine Duvick, Chuck Svoboda, Chris Moore, Vito Vitauskas and Paula Cepicka and Lori Perry.

Gerry Duvick's project "City Water Cleaning System" was judged the best of the fair and Gerry went to the District Science Fair.

(Name removed by request)
Room 104 - Grade 8

FLORIDA

I would like to go to Florida. It is sunny and warm there. You can swim there too. There are many orange and palm trees to see.

Michael Robbins
Room 204 - Grade 1

FAMOUS SAYINGS FROM GRADE 2

There was a little girl
She would not speak to me.
Until she saw another little girl
And then she was happy as could be.

Thomas Stusek

The skunk puts up his tail when he's mad,
But a cat puts up his tail when he's glad.

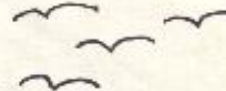

Christine Sturenfeldt

I have hair as fuzzy as a pear
That I wear and I wear
And it is hot, like water in a pot.

Louis Valentine

The sky is blue
And the birds sing too.
The sun is yellow
And he's such a big fellow.
The robin and his wife sing nice
While the cat finds his lunch: the mice.

Frances Kaktus

I'd like to be a clown,
But sometimes I will frown.
Then I'd clown around
And spin all over the ground.
I'll be very funny
And then pretend I am a bunny.

Roman Tamositis

I wish I were a crocodile
All pretty and green.
With nothing to worry about
But those pesty flies above my head.

Cynthis Horton

GIRLS' CHORUS

The McKay School Girls' Chorus is an exciting opportunity for the girls in 6th, 7th and 8th grade to develop their musical ability. Thanks to our director, Mr. Arthur Silhan, we have been able to learn and sing a great variety of songs.

To keep in tip-top shape, we rehearse every Friday afternoon.

The biggest thrill of Girls' Chorus is to perform at special assemblies for the P.T.A. and caroling at Christmastime.

We are grateful for the opportunity offered to the girls at McKay School, and we say "Thank you" to Mr. Silhan.
